The Chief Secretary to Government

Sir,

Sub: Governor's tour in South Kanara District - April 1953 - Provision of Telephone facilities to Mirajkar's Bungalow, Mangalore -

.....

The Governor has programmed to tour in South Kanara District from 21st to 25th April 1953. He will be staying in Mirajkar's Bungalow, Mangalore, while he is in this District. There is no Telephone in the Bungalow at present. Both from the security point of view and also from the point of view of the Public and the officers who have to make all necessary arrangements, I think it is absolutely essential that Telephone facilities should be provided at Mirajkar's Bungalow during the Governor's stay there.

2. In the above circumstances I request that sanction may be accorded for the installation of Telephone at Mirajkar's Bungalow from 20th to 26th April 1953. The

necessary expenditure may also be sanctioned. It will be desirable to have a main telephone in the room where the Governor's staff will be working, and provided an extension to the drawing room where the Governor will receive visitors.

Yours faithfully,

Dear Sri Ramakrishnan,

I have just received a copy of your letter R.C. No.4881/53.A1. dated March 18 addressed to the Chief Secretary to Government, regarding the installation of telephones in Dr.Mirajkar's bungalow for the Governor's use during his stay there.

2. Since you consider it necessary to have a telephone in the bungalow both from the security point of view and also for the convenience of the officers who have to make the necessary arrangements, you may kindly arrange to instal only one telephone in the room where the Governor's staff will be working. It is not considered necessary to have an extension in the drawing room as it may serve to disturb the Governor during his interviews.

3. The bill for the installation of the telephone may please be sent to me for payment direct to the Telephone Department.

Yours Sincerely,

N.Parasuraman.
